REMARKS

You asked for any suggestions I might have for your briefing at the D/CO Staff meeting on 5 March. One topic of interest throughout OC is PD's inability (or rather what OC perceives to be PD's inability) to respond to OC requirements in a timely manner. I think it would help if you would explain how the Agency, like all Federal agencies, must comply with Federal procurement laws, and what special procurement authorities have been delegated to the Agency under it's charter.
